

SCOE Non-Registration Event Tool User Guide

July 2023

Overview

This is a tool to submit attendance for events where **no participant registration** was used, and the event was **not published** on the [SCOE Professional Learning Registration website](https://profllearn.scoe.net/).

SCOE Administrators and Board Members need to stay informed on how we are best serving our districts, schools, and agencies in a cohesive manner. They will receive this information at a minimum from the **SCOE End of Year Reports**. The data may support performance benchmarks as well as strategic planning activities. SCOE departments can also benefit from using the information in the same manner.

Add an Event

General Information

1. Log-in at <https://profllearn.scoe.net/>
2. Select "Add New Non-Registration Event."
3. Provide general information about the event.
4. Select the appropriate answer(s) from each of the drop-down menus.
5. Select the "?" icon for more information or to understand how to best select an answer for a field.
6. Complete all required fields noted with an asterisk *.
7. Check the box if distinguished speaker(s) made a presentation during the event.
8. Enter their name(s).
9. Select Save.

Add Attendance Records

Create an attendance record for each county and/or each school district in Sacramento.

1. Select a county.
2. For Sacramento, select a school district.
3. Use the Tab key to enter the total number for each type of attendee:
 - Teachers
 - Education Administrators
 - Support staff
 - Coaches
 - Counselors
 - Instructional Assistants/Paraprofessionals
 - Expanding Learning Staff
 - Board Members
 - Parent/Guardian
 - Community Member

- Other
- 4. Select “yes” if there were any attendees from a Charter school. If yes, enter the number for each attendee type provided.
- 5. Select Add County to create the next attendance record.
- 6. Repeat steps 1 – 4.
- 7. Select Save.
- 8. Review and/or edit event information.
- 9. Select Back when done.

Search / Edit Records

1. Use one or more of the search filters at the top to narrow search results (SCOE Division, SCOE Department, Event Name, Start Date or End Date).
2. Select Search
3. From the results table, sort events by selecting a column heading (Start Date, Event Name, Division Name, or Department Name) or use the pagination tabs to scroll through all records.
4. Locate the desired record.
5. Select the arrow icon in the Details column.
6. Edit the general information.
7. Select Save.
8. Edit the attendance information.
9. Select Save.
10. Select Back when done.

Technical Support

Reset a Password

1. Go to the [login web page](#).
2. Select Forgot password?
3. Enter your SCOE email address.
4. Select Reset Password.
5. Check your SCOE email for instructions on how to reset your password.
6. Select the link provided in the instructions.
7. Enter and confirm a new password.
8. Select Reset.

Technical Issues

1. Send an email to proflearn@scoe.net.
